

Fcc as a paided listener to XM Radio. There provide variet and quality that is not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to tell me what I am permitted to hear. I respectfully ask the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I pay for demand and deserve.

thank you for your help.
